Established in 1991, TRM Construction Management, with offices in Florida, New Jersey and Pennsylvania, is a General Contractor that specializes in construction management of commercial construction, custom homes and restoration projects. Located in Port Saint Lucie, FL, TRM serves all of the Gulf and Atlantic coast of Florida.

In 2012 we opened offices in Philadelphia, PA and Toms River, NJ to bring our unique expertise in commercial restorations (whether its a result of flood, wind, fire or other natural disaster), to assist in rebuilding post-Superstorm Sandy, which the effects of are still felt long after the flood waters have receded.
